

EAA 908 HYLITES

MONTHLY NEWSLETTER FOR EAA CHAPTER 908
SAINT LUCIE COUNTY, FLORIDA

President's Corner

Nice to be back, I just returned from a 3 week road trip to New England, Pa, and Ohio. Wx was either 90 + degrees or rain. Lots of driving, should have been flying but Wx was not good enough.

Membership; 84 paid members at this time for 2018. If you have a friend or know of anyone interested in EAA or flying in general, invite them out to see our chapter. We need new members !!

President's Corner - (continued)

- ✦ **Dave's Container:** Dave Johnston continues working on his new container to keep it in leak-proof condition. He's done meticulous work on the roof and prepping the inside for his restoration.
- ✦ **Hanger Roof:** Still in progress. We'll keep working on this.
- ✦ **Taxiway Delta 1 Construction:** The construction has been delayed due to construction planning and scheduling. The new pre construction date is **October 2018. At this time we are going to be locked out from moving our aircraft from 908 parking to access the airport. More on page 4.**
- ✦ **Young Eagles from KOSH:** Our two Young Eagles from our 2017 summer school attended Oshkosh Air Academy during Oshkosh Air Adventure . Jose Mathew and Michael Rolan. Made the trip to OSH via Delta on July 27th and returned August 4th. They will be at a future meeting to tell us about their adventures. (see attached letters)
- ✦ **Young Eagles:** Because of the construction on Delta 1 in October we'll have to reschedule our fall Young Eagle flights. I'll have more info on this soon.
- ✦ **Use of club hanger:** When using the club hanger, please keep it as clean and remove all of your discarded items. We have 2 containers of used oil left behind that should have been recycled by the person(s) responsible. When you have oil to recycle the auto parts store (Advanced Auto) at 7075 Indio Rd will take it (no charge). Help us keep things in order. Thanks.
- ✦ **Member** Dave Wood donated an HVLP paint sprayer to the club. This is a high quality Grayco sprayer. It comes with all the instruction manuals so please use as directed and keep it clean.

Many thanks to those that contributed. Anyone with stories, news, trips, aircraft projects, bios of members, etc. can share it with the world through *HYLITES*, as we archive the recent issues on the web. We have not copyrighted anything in the past, but may work up something in the future. Generally,

Chapter 908 Summer careers program came to an end. Wednesday July 18 was our finale “Careers in Aviation” for Young Eagles. A positive experience for the St Lucie and Indian River county students.

A few more pics of our summer school Careers Program

Jordan Hardison (instructor at Aviator College) gives a presentation to our students while visiting the school in July.

Jordan also gave the students a tour of Aviators facility. The students also were able to get some simulator time.

Board of Directors Meetings: The Chapter's BOD meets on the first Tuesday of each month at 7:00 pm at the clubhouse, unless otherwise noted. Next BOD meeting will be to 9-4-18

Use of Chapter Hangar: The procedure for scheduling use of the Chapter's hangar will be to call Mike Ketchpaw at (772) 770-9928 or 772-766-6957 in order to maintain coordinated use of the hangar. No other method is authorized.

Because of the construction on Delta 1 this October we can tie down at APP (Tiki). If you would like to tie down there please sign up at the club house so we can make sure there will be space there for your plane. You will also need to get an access security badge for the gate if you plan on gaining access to the parking ramp. Please sign up ASAP so there will not be any confusion at the last minute.
