## President's Corner - (continued)

- ✦ Hanger Roof: Still in progress. We'll keep working on this.
- ✦ **Taxiway Delta 1 Construction:** The construction has been delayed due to construction planning and scheduling. The new pre construction date is **October 2018. At this time we are going to be locked out from moving our aircraft from 908 parking to access the airport. More on page 6.**
- ✦ **Airport courtesy cars:** Dave Johnson sent me a link and guide to airports that provide courtesy cars. Great resource for finding what airports provide this service, check it out. <https://www.airportcourtesycars.com/>
- ✦ **Young Eagles:** Because of the construction on Delta 1 in October we'll have to reschedule our fall Young Eagle flights. We'll move the program to the main terminal on Curtis King Ave on October 27th. Most of our pilots will be moved to the Tiki parking during this time so using the terminal should not be a problem.
- ✦ **Use of club hanger:** When using the club hanger, please keep it as clean and remove all of your discarded items. We have 2 containers of used oil left behind that should have been recycled by the person(s) responsible. When you have oil to recycle the auto parts store (Advanced Auto) at 7075 Indio Rd will take it (no charge). Help us keep things in order. Thanks.
- ✦ **908 fly out TIX:** We had 6 members fly up to Titusville for the EAA chapter flyin & breakfast. Good omelets with the works and free access to the Valiant-museum. We got there early enough so the lines were not bad, but things got quite busy after we ate.

## Flying to Hendersonville ,N.C. (0A7)

Sun rise leaving Ft Pierce

Clear beautiful day going over Daytona Beach airport and speedway.

North of JAX , interesting patterns and scenery on a beautiful day

Landing in Hendersonville, N.C. Runway needs attention but useable.

Lots to do in and around Hendersonville, from sight seeing in the mountains to wine and apple cider tasting.

While in Hendersonville Jerry and I flew over to Murphy N.C. and met up with Jim Wetzel for lunch.

## Around the patch (Mike Ketchpaw)

**Board of Directors Meetings:** The Chapter's BOD meets on the first Tuesday of each month at 7:00 pm at the clubhouse, unless otherwise noted. Next BOD meeting will be to 9-4-18

**Use of Chapter Hangar:** The procedure for scheduling use of the Chapter's hangar will be to call Mike Ketchpaw at (772) 770-9928 or 772-766-6957 in order to maintain coordinated use of the hangar. No other method is authorized.

Because of the construction on Delta 1 this October we can tie down at APP (Tiki). If you would like to tie down there please sign up at the club house so we can make sure there will be space there for your plane. You will also need to get an access security badge for the gate if you plan on gaining access to the parking ramp. Please sign up ASAP so there will not be any confusion at the last minute.
